

ARNEG LOOKS AHEAD TO EUROSHOP 2017

HALL 16, BOOTH B41, B42, C42, A42, D41, E41, D56

The Arneg Group has been a regular exhibitor at EuroShop since the 1970s, however, at EuroShop 2017, the group is taking another important step forward, highlighting how the group can supply the 'life blood' of any large scale enterprise project.

At a 3,000 square metre stand, the Arneg Group will showcase its wide range of products and merchandising solutions undertaken for its many retail and business partners.

Developed as a 'shared space', the stand will play host to the various member businesses of the group: Arneg, Incold, Intrac and Oscartielle. It will also be

fully interactive, boasting LED walls, infographics and interaction points, enabling delegates to get fully engaged.
