

ARNEG WORLD PARTNERS WITH FICO EATALY WORLD

Arneg Group provides refrigeration and equipment to FICO Eataly World, and the company's mission to 'continually improve the quality of life', and its vision to 'imagine, innovate, and constantly create something

new', goes hand in hand with Eataly's ambitious project.

Its **Oscartielle** business supplies a range of display cabinets, including convertible models, wall cabinets with sliding glass doors, rear-service counters and showcase islands, while **Incold** is present with a range of commercial cells, and **Intrac** supplies checkout counters. With strong Italian roots, Arneg is proud to participate in this celebration of Italian authenticity. For more information, visit www.arneg.it
