COOP.FI and RETAILDESIGN share their award with ARNEG

19/02/2014

Arneg S.p.A.

Coop.fi and RetailDesign rewarded in Düsseldorf

On the occasion of EuroShop 2014 **Coop.fi** and architect **Paolo Lucchetta** of RetailDesign were honored as one of the most original retail projects within the **EHI Retail Design Awards**.

For the first time, an Italian architect and an Italian project are rewarded among **the best (concept) design store in the world**: over 100 projects selected from around the world, **Paolo Lucchetta** and the RetailDesign Studio were among the winners of the **Retail Design Awards**, international award promoted by the research EHI for the original concept store **Coop.fi Novoli (Florence) Unicoop Florence**, realized by **Arneg**.
